Sunday 19th	10am	Get Out

# Health & Safety Policy

**Please read the following carefully before completing your participation form.**

In order to participate, every member must accept there are risks and responsibilities to taking part. Our commitment is to minimise these risks and ensure a safe and supportive environment for all participants.:

## Fire

At the first rehearsal, the company will be informed of what to do in the event of a fire, including being made aware of all fire exits and our fire assembly point.

## Security

After Christmas the hall is very busy with lots of people going in and out helping with costume, scenery and front of house in addition to the cast. All adults involved in the production must sign in and sign out on arrival and exit. Children under 16 must be signed in and out by a parent or guardian for performances.

## Accidents & Illness

In the event of an accident there is always a qualified first-aider on site for every rehearsal and performance.

We ask you to provide a contact number for us to call for any accident or emergency. If you are unwell and unable to attend a rehearsal or show for any reason we politely request that you contact us asap. You may return when you feel fit to do so.
